

Your regional wastewater treatment service rate is increasing. New rates take effect August 14, 2010. Regional service includes major wastewater conveyance, treatment and disposal.

In June, the Sacramento Regional County Sanitation District (SRCSD) Board of Directors held a public hearing and approved a 25-cent per month rate increase. **Effective August 14, 2010**, the regional wastewater treatment service rate will increase from \$19.75 per month to \$20.00 per month.

For more information, please visit www.srcsd.com.

SRCSD provides service to residential, industrial and commercial customers throughout Sacramento County and West Sacramento.
